

Catalogue of alternative protein solutions

Zyrcular
FOODS

We are your global alternative protein solutions supplier

At Zyrular Foods, we develop, produce, distribute, and advise on new protein sources.

We are producers

We produce our delicious and nutritious food at our state-of-the-art facilities. Thanks to our fully sustainable, open and integrated model, we can provide your business with a whole range of options to choose from.

We are distributors

We explore the biggest plant-based markets around the world to offer you a wide range of nutritious and healthy products from the leading brands in this sector, which are perfect for a Mediterranean diet.

What does Zyrular Foods offer?

Mediterranean-inspired flavours and textures

Nutritious foods that are rich in proteins and fibre

Non-GMO soy

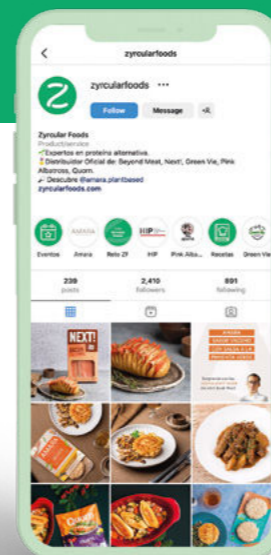

Products created by chefs and nutritionists

Sustainable production and eco-friendly packaging

100% designed and manufactured in Spain

New ideas, recipes and updates...
Discover more about Zyrular Foods on Instagram and LinkedIn.

We are producers

We offer a wide range of products developed by our own chefs and nutritionists. Whether you are looking to introduce your own selection of store-brand products into retail or expand your foodservice menu, we are the ideal choice.

AMARA

100% VEGETAL

Incredibly delicious, 100% plant-based.

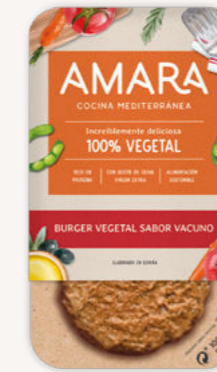

Amara is our own range of delicious, nutritional, and sustainable products, the perfect option for your retail customers.
